We are excited to announce our new Early Childhood Toddler program at Sacred Heart School. Our toddler program will reside in the Early Childhood building and will be licensed by the state of Minnesota this summer. It will open for care on September 3rd, 2024. This program is a year-round program with licensed teachers and staff, and it will serve children ages 18-36 months. When a child turns 36 months of age they may transition into our preschool classes that reside in the school building. It will conveniently be open from 6:30 a.m. to 5:30 p.m. five days a week, 12 months a year. It will be closed on certain breaks, holidays and weekends.

We have created this program to include an age appropriate curriculum for toddlers. The primary development of this age group is autonomy. Autonomy is the sense of being in control of one's own actions and the ability to determine one's behavior. An example of autonomy is letting toddlers simply just be more independent with some guidance and nurturing. We will engage and explore rich hands-on learning and sensory play. We will foster each child's identity by building relationships as they develop behavioral traits to help foster their self esteem. We will also learn weekly sign language and incorporate and foster rich verbal language and vocabulary. Your toddler will receive daily toddler reports informing you of their emotions, eating, sleeping, and toileting schedule.

As we prepare for our opening in September, we will send out open house/ back to school letters mid-August for you and your child to visit the building and explore and meet the teachers and staff.

- Registration is finalized and your child's spot will be secured into our 14 available spots with a check for \$175.00 written to Sacred Heart School. Written confirmation will be sent to you upon receipt of your payment.
- Weekly Tuition is \$155 a week/ \$31.00 a day and includes two snacks. Children must register for 5 days a week.
- A lunch account will be set up for your child and you can pay as they eat. A menu will be sent home with your child and they may choose to bring cold lunch as well.
- Parents will need to supply diapers and wipes and any diaper cream their child may need.

This registration is for my toddler between the ages of 18-36 months.

I, as the parent/guardian of the child listed below, understand that I am requesting enrollment for my child at the Sacred Heart Toddler program. I agree to pay the \$175.00 registration fee that is not refundable, but will be used towards my child's tuition in September. \_\_\_\_\_(Signature)
